Gathering

August 20 2003

Co-Ordinators are invited to attend a Gathering at the Cross Roads Community Centre on Wednesday August 20 2003. Morning tea and lunch will be provided.

Healing, Forgiveness and a **New Beginning** are essential to the philosophy of the Cross Roads Community which is a charitable support service for those suffering the effects of addiction.

The Cross Roads Community provides a comprehensive program that focuses on the body, mind and spiritual soul of each client, so as to enable the person to live in the true dignity of a human being created in the image and likeness of God. The healing and rehabilitation program for the client and family is based firmly upon the richness of Catholic spirituality. The program is holistic and in keeping with contemporary Australian culture. Family members are encouraged to participate in the rehabilitation of their loved ones.
