

Catholic Outreach Co-Ordinators Gathering

Encountering Jesus in the Gospels

During this Year of Grace we are very pleased that Dr Michelle Jones has agreed to address our final Co-Ordinators Gathering for the year. Michelle will talk about the different faith portraits of Jesus in the different Gospels and give us the opportunity to learn more about and practice lectio divina (divine reading) which is a traditional Catholic practice of scriptural reading, meditation and prayer intended to promote communion with God and to increase knowledge of God's Word.

A DVD Production

In conjunction with Fayann D'Souza, Media Producer + Social Media Coordinator with the Faith Centre, Catholic Outreach is producing a DVD for the promotion of Pastoral Care Programs in parishes.

You are invited to participate in this exciting new project. We would like to hear your ideas about what you would like to see in the DVD and how you could use it in your Parish.

The day will commence with Mass in the St Therese Chapel celebrated by Fr Karol Kulczycki and will include morning tea and lunch.
