1415 Workshop Conclusion

A Springtime Prayer

*Ever-renewing and energising Creator,
come, stir in my dormant spiritual limbs.*

*Wake up my tired prayer.
Revive my weary efforts of care.
Sing hope into my discouragement.*

*Wash my dusty, drab attitude
with cleansing rains of your vision.*

*Go deep to my roots and penetrate my faith
with the vibrancy of your grace.*

*Shake loose the old leftover leaves
of my tenacious ego-centredness.*

Coax joy to sprout from my difficulties.

*Warm the buds of my relationships
so they bloom with healthy love.*

*Clear out my wintered debris
with the wild breeze of your liberating presence.*

Nudge me, woo me, entice me, draw me to you.

*I give you my trust and my gratitude
as you grace my slowly thawing spirit.*

*Light-filled Being, my Joy and my Hope,
let the greening in me begin!*

- Joyce Rupp
